

**BNQ-14**  
**One Outlet Watering Irrigation Controller**

Extra-large LOD with bright and vivid text  
 With low battery power level indication  
 Fit for 3/4" pipe  
 6 Watering programs per 24 hrs  
 Min.Watering time: 1 minute  
 Max.Watering time: 7 days  
 Working voltage: 2×1.5V AA alkaline battery  
 Working pressure: 0.2MPa-0.7MPa  
 Working temperature: 0°C to 45°C

**BNQ-15**  
**One Outlet Watering Irrigation Controller**

Easy-ON, easy-OFF  
 Single dial control with timed watering  
 With low battery power level indication  
 Fit for 3/4" pipe  
 15 preset watering programs per 24 hrs  
 Watering times can be chosen from 4 times per 24 hrs to once per week  
 Min.Watering time: 2 minutes  
 Max.Watering time: 120 minutes  
 Working voltage: 2×1.5V AA alkaline battery  
 Working pressure: 0.2MPa-0.7MPa  
 Working temperature: 0°C to 55°C

**BNQ-16ZT**  
**Zigbee Smart Watering Irrigation Controller**

APP remote control  
 Up to 4 ON/OFF programs daily  
 With manual ON/OFF function  
 Amazon alexa and Google assistant control  
 Support :Zigbee 3.0  
 Fit for 3/4" pipe  
 Working voltage: 4×1.5V AA alkaline battery  
 Working pressure: 0.2MPa-0.7MPa  
 Working temperature: 0°C to 45°C

**BNQ-17**  
**One Outlet Multi-function Watering Irrigation Controller**

Easily sets watering intervals,durations and start times with an easy rotary knob  
 Extra-large LCD with bright and vivid text  
 With low battery power level indication  
 Fit for 3/4" pipe
